Hamwood Farm, Stalbridge
JE & SE Jeanes & Son

With over 400 lots on offer, ranging from children's toys and a canoe through to tractors and modern farm machinery saw the largest crowd of the year gather at Hamwood Farm, Stalbridge on behalf of JE & SE Jeanes & Son.

The machinery on offer was a credit to the vendors with all machines having been meticulously maintained and all vehicles having been valeted prior to auction.

With considerable pre-sale interest and over 300 people watching online we were all expecting a fast trade which certainly didn't disappoint from start to finish.
